TOURS - hop on the bus and enjoy the economic route of prosperity! Stops will include...

Prairie Innovation Centre - where we'll witness the precision laser cutter and 3D printer whizzing back and forth creating timeless keepsakes for the participants. Hear Guy discuss the benefits of the PIC and how it helps entrepreneurs create business success.

Simplot and Roquette - where we'll tell the story of the park, the partnerships that were forged through time and the endless benefits the region will reap because of foresight and planning.

Southport - Speed along the runway, dodging helicopters and marching cadet's. Find yourself entering a new world while we travel through hangars and enter simulators. Don't miss this exciting tour of how Southport is shaping the Portage landscape.

National Indigenous Residential School Museum of Canada - learn the history of our region, discover facts that shall forevermore be engrained in our past, and how to engage our future to build a better world.
